On the night of 30th November 1924, a dacoity occurred in the village of Sidapur which is within the limits of the Cusbah Police Station of Bangalore Taluq. The dacoits about 15 in number, armed with a gun and other dangerous weapons, entered the house of one Muni Venkatappa of the village, assaulted the inmates and decamped, with property valued about Rs.70/-, on one of the villagers discharging a fire-arm. Had it not been for the discharge of the fire-arm, possibly property valued at several thousands of rupees would have been removed. A case (No.51. Section 395 I.P.C.) was registered by the Bangalore Taluq Cusbah station police on 1st December 1924. On 1st December 1924 morning one Munia, a Farrier of the 41/45th Battery R.A. was found in an unconscious state in the Followers lines of the 67/99th Battery R.A. He had a gun shot wound on his face. Through this man - Munia - the remainder of the gang were traced and arrested.

belong to various parts of Northern India, Nos.11 & 12 are notorious K.Ds, natives of Northern India, but residents for several years in the Mysore Province.

On 3rd February 1925, the Assistant Sessions Judge, Bangalore District sentenced accuseds Nos. 1,2,3,5,8,9,10 and 11 to 3 years' rigorous imprisonment. No.6 to 6 months' rigorous imprisonment and No. 12 to 5 years' rigorous imprisonment under Section 395 IPC. in C.C.No.3 of 1924-25. No. 4 was acquitted. No.7 was taken as an approver and discharged. He left for Northern India immediately on discharge.

On 8th August 1927, with exception of No.12, all the accused persons were released (unexpired portion of sentences being remitted) on account of His Highness the Maharaja's Jubilee. Nos. 1, 2 and 3 obtained some money from their countrymen in the Station and left for their homes in Northern India. Nos. 8 & 9 are staying in Chamrajpet, Bangalore City. Nos.5, 10 & 11 are staying in Shoolay limits. No.6 went back to Trichinopoly on release. These individuals were responsible for three dacoities which occurred in the Civil and Military Station and two in the Bangalore Taluq limits prior to their arrest. The remainder of the gang, who escaped arrest, formed a gang again with some Pathans of the 6th I.B.T. Company and committed a serious house dacoity in the village of Chinnapolyam within the limits of the same police station - property valued about Rs.5,000/- being stolen. · 14 individuals (9 Pathans and 5 Sikhs) were arrested, six of whom were convicted by the Assistant Sessions Judge Bangalore District on 24th February 1926 and sentenced to 5 years' rigorous imprisonment in C.C. No. 6 of 1925-26 and the remainder discharged. These convicted persons are still in Jail.

Although the individuals convicted in the first case (Crime No.51) were convicted by a State Court, a reference to the Civil and Military authorities of Civil and Military Station might have been made by the Mysore Government before they were released, as all of them were residents of the Civil and Military Station and all excepting one (No. 11) were military men. The most dangerous characters

characters are now in City and Shoolay limits, and it is quite possible that they will take to committing dacoities and other serious offences shortly again.

I would request that the Mysore Government be asked to consult the Military and Civil authorities of this Station before they again release such men prematurely.

Inspector-Genral of Prisons, in Mysore,
BANGALORE.

To,

R. Ranga Rao, Esq., B.A., B.L.,
General Secretary to the Government of His
Highness the Maharaja of Mysore, BANGALORE.

Sir,

With reference to your No. G. 5599/Pris. 6-27-36 dated 21st November 1927 regarding the relase of certain prisoners of the Civil and Military Station, Bangalore on the 8th of August 1927, I have the honor to state that in accordance to the procedure in Vogue, due intimation of the release of prisoners in all cases is given to the Police who investigated the case. The Prisoners referred to in the present instance being convicted by the Assistant Sessions Judge, Bangalore City, necessary intimation was given, as usual, by the Jail Superintendent to the City Police who had investigated the case. Extra-ordinary releases effected on the 8th August 1927, having been based on the rules laid down by Government in their proceedings issued on the Auspicious occasion, all prisoners whom it affected were unconditionally given the benefit. Nevertheless it is incumbent on the Superintendent of the jail to intimate the date of release of such of the dangerous criminals of the Civil and Military station whose antecedents etc., are made known to him before hand by the sentencing Magistrate or the police. I have herein enclosed for favour of perusa copy of letter No. 1934/F33 dated 6th December 1927 from the Superintendent, Bangalore Central Jail on the subject.

I have the honor to be,

Sir,

Your most obedient servant.,

Inspector-General of Prisons, M.

Letter No. 1934/F. 33 dated 6th December 1927 from the Superintendent, Central Jail, Bangalore to the Inspector-General of Prisons, in Mysore, Bangalore.

With reference to your memo No. C. 117-1 dated the 23rd November 1927 calling for my views on the proposal of the Commissioner of Police, C & M Station, Bangalore to consult the Civil & Military authorities before the release of dangerous characters, I have the honour to state that the facts relate to the release of 8 prisnners who were convicted by the Assistant Sessions Judge Bangalore City for dacoity to 3 years rigorous imprisonment consequent on the grant of extra-ordinary remissions on the auspicious occasion of the Silver Jubilee of the reign of H.H. the Maharaja.

The usual practice in such cases is to give intimation of the release of such prisoners to the Police who investigated the case and prosecuted them to conviction and as such in this case intimation was given to the police of the City station who investigated the case.

The contention of the Commissioner of Police is that the Mysore Government should be asked to consult the Military & Civil authorities of the station before such prisoners are prematurely released. As the word 'Consult' implies seeking advice or opinion, such a consultation would be derogatory to the dignity and exercise of the Soverign rights of H.H. the Maharaja. Apart from this, no useful purpose whould be served by such consultation, as the release of such persons cannot be stayed on any account since, according to the Mysore Government Proceedings all prisoners, whom it affects, are to be unconditionally given the benefit of the remissions granted on extra-ordinary occasions by H.H. the Maharaja in exercise of His Highness's prerogative and such remissions cannot even be cancelled for violation of the conditions of release.

I may however, add that it would be ample, for police purposes to safeguard the life, property and honour of citizens, for the Jail Superintendent to give intimation of the date of premature release of such persons to the Military & Civil authorities of the C & M Station to enable them to watch the residence, movements

Movements, means of livelihood and associates of such characters provided, they ask the jail authorities after their admission into the jail that the date of their release may be intimated to them. This condition precedent appears to be incumbent on the authorities who consider the criminals as dangerous, as their antecedents cannot otherwise be known to the jail authorities ~~xhx~~ The letter under reference ~~xxxxxxxx~~ together with its enclosures in original are returned herewith as desired

SUBJECT.

Letter No. 1016/D. dated the 26th August 1927 from the Commissioner of Police. Civil and Military Station, Bangalore, to the Secretary to the Hon'ble the Resident in Mysore, Bangalore through the District Magistrate, Civil and Military Station, Bangalore.

------OOooOO------

On the night of 30th November 1924, a dacoity occurred in the Village of Sidapur which is within the limits of the Cusbah Police Station of Bangalore Taluq. The dacoits about 17 in number armed with a gun and other dangerous weapons, entered the house of one Munivenkatappa of the Village, assaulted the inmates and decamped, with property valued about Rs. 70/- on one of the Villagers discharging a fire arm. Had it not bee for the discharge of the fire-arm, possibly property valued at several thousands of rupees would have been removed. A case (No.51, Section 395 I.P.C.) was registered by the Bangalore Taluq Cusbah Station police on 1st December 1924. On 1st December 1924 morning one Munia a Farrier of the 41/45th Battery, R.A., was found in an unconscious state in the Followers lines of the 67/99th Battery R.A. He had a gun shot wound on his face. Through this man, Munia - the remainder of the gang were traced and arrested.

No 6. is a native of Trichinopoly. No.1, 2, 3, 4, 5, 7, 8, 9 & 10 belong to various parts of Northern India, Nos.11 & 12 are -- notorious K.Ds, natives of Northern India, but residents for several Years in the Mysore Province.

On

On 3rd February 1925, the Assistant Sessions Judge, Bangalore Dt. sentenced accuseds Nos.1, 2, 3, 4, 5, 8, 9, 10, 11 to 3 years' rigorous imprisonment. No.6 to 6 months' rigorous imprisonment and No.12 to 5 Years' rigorous imprisonment under 395 I.P.C. in C.C. No. 3 of 1924-25. No.4 was acquitted. No. 7. was taken as an approver and discharged. He left for Northern India immediately on discharge.

On 8th August 1927, with exception of No. 12 all the accused persons were released(unexpired portion of sentences being remitted) on account of His Highness the Maharaja's Jubilee. Nos. 1,2 and 3 obtained some money from their countrymen in the Station and left for their homes in Northern India. Nos. 8 & 9 are staying in Chamarajpet, Bangalore City Nos. 5,10 and 11 are staying in Shoolai limits. No. 6 went back to Trichinopoly on release. These individuals were responsible for three dacoits which occurred in the Civil and Military Station, and two in the Bangalore Taluq limits prior to their arrest. The remainder of the gang who escaped arrest, formed a gang again with some pathans of the 6th I.B.T. Company and committed a serious house dacoity in the village of Chinnapolyam within the limits of the same police station-- property valu valued about Rs. 5,000 being stolen. 14 individuals (9 Pathans and 5 Sikhs) were arrested, six of whom were convicted by the Assistant Sessions Judge Bangalore District on 24th February 1926 and sentenced to 5 years' rigorous imprisonment in C.C. No.6. of 1925-26 and the remainder discharged. These convicted persons are still in Jail.

Although the individuals convicted in the first case(Crime No.51) were convicted by a State Court, a reference to the Civil and Military Authroties of the C.& M. Station might have been made by the Mysore Government before they were released, as all of them were residents of the C. & M. Station and all excepting one(No.11) were Military Men. The most dangerous characters are now in City and Shoolai limits, and it is quite possible that they will take to commiting dacoits and other serious offences shortly again.

I would request that the Mysore Government be asked to consult the Military and Civil Authorities of this Station before they again release such men prematurely.
